ZENRYOKU OTOME THE END

Trivial story①
Nozomu's older sister is actually Shuuji's college acquaintance instead of Seina friends, they just listen to the same seminar.
But if she found out about the relationship between those two, there's also the possibility that it'd turn into a battlefield like in a daytime drama. Even so, I guess it turned out interesting~♡
Trivial story②
I wanted to make Shuuji cross-dress too! But when I tried thinking about it, I could only think of it being a prank so I didn't do it. Oh well (^_^)

Afterword

Hello and nice to meet you!! I'm CUTEG
Incredibly, Zenryoku Otome got compiled into a book!!
Clap clap clap
I had wanted to try drawing a story about a trap once for a while now
I'm not really sure where Nozomu's and Shuuji's story will go from here either, but if a happy future awaits them, I think that's all that matters
Thank you so much to the people who picked up this book.
And also, to my editor O-san, my assistant Pai-chan, and everyone else, thank you very much
Let's meet somewhere else again!! (^^)
